60 ; 180 softgels

Nature's Farm® Salmon Oil 1000

A **superior quality and pure source** of Omega-3 fatty acids – **EPA and DHA** specifically derived from **Salmon**.

- Increases **good blood lipids** and decreases bad blood lipids
- Regulates **blood pressure level**
- Supports body's **natural inflammatory response**
- Acts as an “internal moisturizer” to improve **skin appearance**
- Eases skin conditions such as **inflammation, dry skin and itchy skin**
- Promotes **brain, eyes, joint and nervous system** health

In order to obtain the nutritional value from salmon, a person would have to eat 3 to 4 servings of salmon a week.

However, most of the people do not eat this much salmon weekly. Taking salmon oil supplement can be an important step to increase the levels of essential fatty acids in the body for optimum health.

Suggested Usage: Take 1 softgels 1-3 times daily, after meals.

**Nature's Farm® Salmon Oil –
A Vital Nutrient For Your Overall Health**
