

# Nature's Farm®

## OM-X Deluxe 5 60s

### Introduction:

OM-X Deluxe 5 uses a unique 5 year fermentation process to produce a superior biogenically-active probiotic supplement. A proprietary blend of 80 natural crops including herbs, fruits, vegetables, mushrooms & seaweeds, together with 12 strains of Lactic Acid Bacteria resulting in a dense product of probiotics, naturally occurring prebiotics, bacterial enzymes, organic acids, and bacteriocins, which promotes a healthy GI tract and improves gut health. Developed by award-winning microbiologist Ichihiro Ohhira, Ph.D., and esteemed research scientists from Okayama University, this formula combines ancient Japanese fermentation techniques with modern technology.

### Uniqueness:

1. Clinically tested Probiotics OM-X Deluxe 5 is a vegetarian formula suitable for ages 6 months and above
2. High bioavailability formula is tested safe for children, pregnant or nursing mothers, the elderly, and those with compromised immune systems
3. Health benefits supported by 16 clinical studies worldwide
4. 100% natural, dairy-free, shelf-stable, non-refrigerate require
